Union Jacks Win From Calgary Army

The lid was pried off the Senior Basketball season here last Saturday night when the Jacks were hosts to the Currie Barracks Army team from Calgary. From the first whistle it was clear that it was going to be a real battle. Both teams started strong, and honours in scoring were about even. Jacks had a decided edge in foul shots, while in the first part of the game Calgary showed better field shooting, Jacks found the baskets later on.

The first quarter ended 7-8 in favor of Calgary, the visitors getting all their points on field goals, while Raymond made five of their points on foul shots. Raymond put on the power in the second quarter and scored ten points, while Calgary was blanked in this ten minutes. Honors were more even in the third quarter, Calgary counting two field throws, while Jacks scored three field baskets and one foul point. In the fouhth quarter, tempers commenced to boil over Calgary lost one man for personals, Jacks lost two viathe same road. Currie went on a scoring spree counting five field goals and six foul shots, while the Jacks had to be content with 3 field goals and one foul point.

The Jacks showed some nice floor work and ball handling in their stalling during the last few minutes of play. Their power weakened by the loss of Nilsson and Nalder for fouls, they kept it away from the visitors without trying to shoot. It was disgusting to the Currie boys, but it was smart ball for the Jacks as it enabled them to maintain lead enough to win the game.

Nalder, Turner and Nilsson for the Jacks with 14, 9 and 7 were high scorers of the even ing, high men for the Calgary team being Hall, Kelly and Keary with 6 points each. While there was some dissatisfaction expressed over the officiating, the score sheet shows it to be pretty fair, Raymond players having 20 personals and a technical whistled against them while Calgary had 18 personals and one technical.

Lineup and players were as follows:

Calgary: Hall, 6; Kelly, 6; Todden, 2; Welbourne, 3; Keary 6; Baxter, 5; Ewart; Douglas. Total 28.

Jacks: Nalder, 14; Evans; Walker; Turner, 9; Nilsson, 7; Meeks, 4; B. Nalder, 1; Total 35 Wilson Rolfson and Dave Leishman of Hill Spring handled the game. The Jacks will be journeying to Calgary in the near future to return the game with the Currie Barracks team.

In an interesting preliminary the Raymond High School Comets won from the New Dayton High School by a rather one-side dscore of 48-17. The greater experience and better team work of the Raymond boys showed up fine and they really have some fine combinations in their bag. The New Dayton boys though are hard workers, good sports and show promise of some very effective basketball before the present season is over.

Athol Coopers Grade VII students enjoyed a period of bowling Tuesday afternoon.

Dr. Geo. W. Kerby, 83 founder and for 31 years principal of Mount Royal College in Calgary, died at his home in Calgary Wednesday morning He had been pastor of Central United Church, since 1902.

OPEN LETTER TO CITIZENS OF RAYMOND AND DISTRICT

—o—

RE: "ADOPTION OF RUSSIAN COMMUNITIES DEVASTATED BY WAR"

On November 29th, 1943 the National Council for Canadian Soviet Friendship issued an appeal. addressed to The Mayors and Reeves of Canada, which was explained by Mr. L. W. Brockington, K. C. in his broad cast over the CBC net work in this way:

"Adoption is word of human kindness and like that greater mercy of which it forms a part, it blesses him who gives and him who takes. It means the sending of supplies, medical and surgical nourishing food, books and clothing. It means the exchange of information of experience, of service between like and like—between Canadian Doctors and Russian Doctors, Canadian teachers and Russian teachers, artists speaking to artists, ordinary folk to ordinary folk."

The British people, though hard hit by the war themselves have adopted Soviet Cities and are helping to restore them.

The need of such help in Russia is beyond measurement. About 40,000,000 people (four times the population of Canada) are to day homeless.

No doubt you people of Raymond and District know that the City of Lethbridge adopted the Town of Timoshevskay, in the Northern Caucasus which was ravaged by Germans. Thus Lethbridge citizens determined to help in restoration of the Russian devastated City.

In this connection should sufficient sentiment develop locally. a small war torn community of sugar beet growing area in Ukraine may be adopted by this district to help in its re-establishing.

Besides a noble act of helping needy ones, useful information of mutual interest to beet growers & sugar factory workers of a Russian Community & ours here may be exchanged and a bond of friendship established.

We should like this matter to be discussed in all local service clubs and organizations to see the actual sentiments of the public at large in this regard.

Would appreciate also any reply in local press or in personal letters addressed to Box 341, Raymond, Alberta.

Yours Sincerely
One Amongst You.

Sugar City M.D. Meeting

At the meeting held last week the Municipal Council gave the third and final reading to a by-law imposing a tax on personal property for Municipal and School purposes in the district. This ruling will become effective on the next assessment to be made this spring.

A discussion took place respecting assessments and valuations in parts of the District and the Council will act as a committee of the whole in trying to equalize this question. Councillor N. W. Peterson was asked by the Council to carry on in disposing of the streets and lanes closed by recent legislation, and to report back to the next meeting.

The annual meeting has been called for February 19th, in the Raymond Town Hall at 1 p.m. and after the reports have been made, a nomination meeting will be held when nominations will be received for Councilmen in division 1 and 4. at present represented by Nels W. Peterson, Welling, and Sharp Henry of Del Bonita. Read the ad. elsewhere in this issue

John H. Taylor Speaks At Conference

Quarterly Conference of the Taylor Stake of Zion was held in Magrath last Sunday with a very large attendance from all parts of the Stake in attendance at all meetings. Elder John H. Taylor of the First Council of Seventy was present representing the General Authorities and was a speaker at all of the meetings.

It was predominantly a Missionary Conference, and testimony bearing featured all services. Besides President Taylor, who related numerous experiences garnered from his mission ary labor in nearly every corner of the world, and which were all inspirational and faith-promoting, short talks were given by Presidents Wood, Allen and King, Clyde Spencer Stake Mission President, Bishop L. L. Palmer. Louis Brandley, Elmer Wilde, Bishop A. D. Erickson Clinton R. Hardy, John Hendricks, a missionary returning from the Western Canadian Mission and S. I. May.

The evening meeting was under the direction of the M.I.A and Elder Taylor gave a very inspiring talk to the young people of the Stake.

The singing was furnished by the Magrath combined choirs, under the baton of J. Orson Bridge with Mrs. D. H. Keeler at the organ. The Male Chorus sang a number or two, and instrumental and vocal solos by Magrath and Raymond people added to the enjoyment of the meetings.

The weather was ideal, the hospitality of the Magrath people in seeing that Raymond folks were well fed was par excellence, and all in all those who were fortunate enough to attend the Conference were well paid for their efforts in the spiritual uplift they received.

Howard Melchin has just enjoyed his holidays from the Mercantile and spent part of them visiting his parents in Winnipeg, Man.

Frank R. Taylor returned home Tuesday evening from his trip to Denver, Colo. He visited Provo, and Salt Lake City, Utah, before returning and Frank said there was quite a lot of snow in Yyoming.

U. S. Bombers Smash Rumanian Oilfields

On 1.8.43. U.S. Liberators carried out a mass low-level attack on the Rumanian oilfields and refineries which are one of the major sources of supply for the German war machine. Direct hits were scored on installations, plants, and boiler houses. Picture shows: During the attack on the Picesti oil refineries—Liberators sweep in against a blackcloth of smoke and flames.

Government May Abolish Meat Ration

Ottwa, Feb. 9—Finance Minister Ilsley said today in the commons that consideration now "can be given" to abolition of meat rationing and discontinuance of meatless Tuesdays.

He was answering a question from Mark Senn (PC-Haldimand) which followed an extensive statement on meat supplies and livestock marketing by Agriculture Minister Gardiner in reply to earlier questions by John Blackmore, New Democracy leader.

Mr. Gardiner said purchases of bacon for the United Kingdom have been 20,000,000 lbs. a week for several weeks—more than 1,000,000,000 pounds a year if that rate continued.

(Canada is under contract to supply the United Kingdom with at least 900,000,000 pounds of bacon during the next two years, but the expressed aim is to ship as much more as possible.

Mr. Gardiner gave a detailed statement on reported meat surpluses.

NOMINATION ON MONDAY.

Nomination Day Monday brought out a goodly supply of nominations for the vacancies in the public bodies of the Town

Retiring Councilmen were L. T. Pack, and E. H. Nilsson, and nominations for Council were the two former, Ira McBride Harold Fairbanks and Wilford S. VanOrman.

Retiring School Trustees were Myron Holmes, Golden Snow and Dr. Madill. The former two were re-elected by acclamation along with Wm. A. Anderson to complete the School Board slate. Dr. Madill, who is very busy with his medical practice felt that in his own and the interest of the School District he should not stand for re-election and declined to accept.

On the Hospital Board, S. I. May has been the member representing the Town, appointed last June. A Board member must be elected Monday, and nominations are S.I. May, Alvin W. Jones and Kay B. Redd.

Voting for Council and Hospital Board will take place next Monday. Read the ad. elsewhere for particulars.

Stake Pres. T. Geo. Wood and Counselor Heber F. Allen were in Lethbridge Monday to a tri-Stake Welfare meeting.

* * *

Delbert Oler is working on a new house, including three rooms as part of the new structure. Mose Fromm and Ivan Wilde have been helping with T. K. Roberts supervising the work.

Lions Meeting

Another meeting of the Lions Club was held in the Sugar Bowl Monday February 7, with Pers. Golden Snow in the Chair.

The meeting opened in the usual manner with Lion D. Wilde offering prayer.

Pres. Snow thanked the members for their support in making the Charter Night a huge success. Lion R.J. Fansett and Lion Myron Holmes spoke to the club and told of their visit to the Lethbridge Club regarding arrangements being made for the rehabilitation of the returned soldiers from the present war. Febrauary 17th was set as a date to form a permanent committee to get in touch with all Service Clubs of Canada to find out which would be the best plan to follow to get the best results.

It was decided that Lions Fansett and Holmes be a permanent committee from the local Lions Club.

Community singing was enjoyed by the members under the leadrship of Lion Tamer M. T. King.

Ira McBride and K. Baker were enrolled as new members.

Lion M. T. King then introduced Dick Kinsey who has made 34 Flights over enemy territory who gave the boys a thrilling talk on Flying conditions during stay in England.

The members thanked Dick for his presenee and hoped he would come again soon.

The meeting closed in the usual manner.

A special directors meeting was held immediately following the regular meeting at which it was decided to donate $500. towards the completion of the repairs on the Raymond Opera House.

BOXING TROPHY AT VARSITY WON BY STEELE BREWERTON

A seven-bout card, five boxing and two wrestling, was the bill of fare at the University Boring club's revival of the university's discontinued annual boxing and wrestling show. Director of the show, Steele Brewerton, was the winner in one of the boxing features, defeating Glen Roberts of the Canadian Army Engineers. Brewerton won on his counter-punching, although the sapper boy finished strong and looked as if he could have gone a lot more than the three rounds the bout lasted. The winner was awarded a trophy for best performance in the show. —Edmonton Journal.

PARLIAMENT OPENED YESTERDAY

The annual session of the Provincial Legislature opened in Edmonton yesterday with a heavy list of business including new bills, and it is expected that the solons of the land will be in session until late March or early April.

Several changes will be noted in the House, with Hon. C. E. Gerhart and A. J. Hooks in the Cabinet benches and Jas. H. Walker, the new Provincial Leader of the Independent party.

THANKS FOR YOUR HELP

H. Chester, chairman of the Kinsmen Tuberculosis Seal Sale Fund of Lethbridge, today advised that donations continue to come in and that they are still welcome at committee head quarters.

There is no reason for anyone to feel hesitant about making a late return and they will still be welcome. The address is P.O. Box 431, Lethbridge. Donators should not overlook including their address with their contribution, as a card index system is in use and a careful record is kept of donations received.

The support received in Raymond and district has been very good, and the thanks of the committee are extended to all the people who have so generously given, in order to help in the fight against tuberculosis.

YOUTH AND RECREATION

How much are our teen age boys and girls worth? Can we afford to neglect them? Will we make the sacrifice to hold them How Much responsibility rests with the parents? How much with the Church? How much with the community? How much with the nation? Who has the answers to these questions?

We hear a great deal about improving the spiritual and intellectual training opportunities of our youth. This is very good and praiseworthy. What about the leisure time activities of this same group? They are our most precious heritage, and yet outside of cramming them during school hours and providing classes for instruction, and preaching meetings on Sunday, we do very little to guide their leisure time. We deplore the loafing that takes place in the Pool Halls, restaurants, etc., and we wish that youth would not congregate there, and yet, as a community we make no effort to provide them with anything better.

Truly visions change, and needs from one generation to the next require different methods. Years ago, there was the woodpile, or a round of chores to occupy the leisure time of youth. Today there is very little around the home to keep boys and girls busy, hence they have more time for leisure. Up to a certain age they are satisfied to read, to work about, and stay at home. Then they reach the gang age. When this age comes to them, they are not satisfied with anything except joining the gang. Parents can talk, they can provide games, good books, and everything else and yet, if it does not provide for the gathering of the gang of three or four or so of the boys, especially, the boy goes to the gang.

We are not attempting to furnish the answer to this riddle. There are some things that might be considered in a long range program of community betterment. When groups go bowling, they are satisfied so long as the gang is there. Fundamentally there is nothing against the game if the environment is right. Unfortunately our facilities are limited, and every family cannot afford to have John or Jim bowling every night. What is the answer. Billiards is something else that fundamentally is O. K. Ordinarily the environment is not the best and we deplore the habit of the boys in frequenting these places They do other things besides play pool because of the environment.

There are many other games that are good and beneficial. All cannot be provided for we know. It is however, within the realm of possibility to include some of these amusements in our present facilities, or else through community effort and planning build a home to provide them, and then under proper supervision and a good environment, and at small cost, provide YOUTH with something for their leisure. Then, if they refuse to accept it, the blame may be largly with them. As it is today they have no place else to go, and the blame is largely with us.

We may console ourselves by saying that when we were boys we didn't have them. That still does not answer the question nor solve the riddle. If YOUTH is worth as much as we claim it is, then it is certainly worth more than idle talk. A start must be made somewhere. Wouldn't this be a good study for some of our special interest groups, to combine their brain power in studying the question and see if an answer could be found locally Thinking of our own youth, our life would have been much richer and the pool hall proprietors would possibly have been quite a few dollars poorer if we had been provided with recreational centres, under good supervision where our leisure time might have been spent Anyway, we think it is worth a thought.

A snow storm came Tuesday afternoon with faling temperatures, and the weather all day Wednesday was around zero with a sharp wind blowing. It is quite cold compared to what we ehave had.

A Chartered Bank is

ONE WHICH COMPETES WITH NINE OTHERS

for your business

These ten competing banks are:

Bank of Montreal
The Bank of Toronto
The Canadian Bank of Commerce
The Dominion Bank
Imperial Bank of Canada
The Bank of Nova Scotia
The Provincial Bank of Canada
The Royal Bank of Canada
Banque Canadienne Nationale
Barclays Bank (Canada)

A chartered bank is the custodian not only of your money on deposit but also of your secrets concerning that money.

A CHARTERED bank is an institution where the details of your bank account are kept secret.

It is called **"chartered"** because its **permission** to do business and the conditions and restrictions under which it **may do** business, are contained in a **charter** granted and kept up-to-date by parliament, the finest democratic free institution of government that man has yet devised. This charter is an Act of Parliament laying down all of the conditions which safeguard your money.

Ten competing chartered banks are the very opposite of a State Monopoly such as would come about if all the banks were rolled into one by nationalization. Under State Monopoly, if you failed to get accommodation at the one bank, you could not go to any one of nine others to seek it. **You can today:**

SAVE THE TOP SOIL

Deep, rich soils may stand erosion losses and still produce crops for a while. Grey bush soils will not stand them so long It takes nature centuries to build a furrow slice of rich top soil. A farmer can lose it in a generation and riddle his field with gulches besides.

In 1922, soil samples were taken from an exceptionally deep, rich prairie soil near Grande Prairie. The top six or seven inches analysed 55 per cent richer in organic matter than the sub-surface strata; 132 per cent richer in nitrogen and 35 per cent richer in phosphoric acid. Through wind or water erosion some fields have already worn to the subsoil.—Albright, Beaverlodge Experimental Station.

ORDER CERTIFIED SEED POTATOES NOW

Certified seed potatoes are being withheld from export to meet the requirements of Canadian growers, but the Plant Protection Division. Dominion Department of Agriculture points out, demands for these potatoes from other countries are very strong. Supplies not needed for planting in Canada should be released for export in March before the season in the U.S.A. is too far advanced for planting. This means that orders for certified seed potatoes should be placed without delay while supplies are still available.

The planting of certified seed potatoes for table stock will give a heavier yield from each acre planted to such seed. Seed potato growers are reminded that fields entered for certification in 1944 must be planted with either 'Foundation' or 'Foundation A' seed.

The local District Inspector Seed Potato Certification, Plant Protection Division, Dominion Department of Agriculture, has a list of growers having "Certified,' 'Foundation' or 'Foundation A' seed potatoes for sale.

The 2nd Ward Relief Society is holding a Bazaar and Luncheon in the Chapel next Friday. Prices 25c. Remember the date and be there.
